KUGOWN - PESUCCESS
GUYOL's Scripts

REF: HUL-W-66

Maurice H. GUYOL's scripts, attached to Reference, are of some use to PBSUCCESS, but they can be improved by injecting practical, home-spun advice to women; e.g. what they can do to influence servants, tradesmen, their friends whose husbands are opportunists or downright red. A few easy lessons about combatting communism with rumors may be in order.
